Elite High School Camp Philosophy

The Soccer Sphere Elite High School Preseason Training Camp and Jamboree is designed to prepare high school age boys for their upcoming season. Players who attend our camp will improve your technical abilities, speed, endurance, agility and tactical knowledge of the game. The training will focus on individual technique, sport specific speed, endurance and agility training as well as large sided games against other High School teams aimed at teaching team positioning tactics. This is the perfect training environment to prepare for your upcoming soccer season.
